ImageStand 1

1000 x 1960 mm
(39 3/8" x 77 1/8")

Bleed: 10 mm

Please make sure to use the
yellow image box for your graphic,
it contains the bleed needed
for an exact fit.

Notice: If the banner uses snap
extrusions on the top and bottom,
the 3/4″ (19 mm) strip areas from
the top and bottom edges of the final
trimmed artwork won’t be shown
because these areas will be covered
by the top and bottom snap extrusions.
